2. Describe the learning activities (technique/strategies/method/ routine activities) that were successful for the child/ family and specify the functional outcomes and objectives related to these activities.

3. What changes were made to the learning activities (coaching techniques/strategies/method/routine activities) when they were ineffective for the family/caregiver? When you modified the learning activities; were they successful or if not, why? Please address each functional outcome as applicable.

4. Describe all collaborative efforts made to address the IFSP outcomes (Examples: interaction with other service provider/therapist, day care staff, community resources, and medical providers (with written parent consent)). Please include the family members/caregivers you have been working with.

5. Based on your on-going assessment of the child, what is the overall progress in this child's functional abilities since the last IFSP meeting or Progress Report? How was progress determined (e.g. standardized instrument, checklist, non-standardized assessments, observation & informed clinical opinion)?

6. For 6-month/Annual progress notes only: What skills will you be working on in the next 3 months? Are there new functional outcomes or objectives recommended? The functional outcomes must contain all 6 components and be written in parent friendly language. The new/revised functional outcomes or objectives must be discussed with the parent before submission to NYCEIP.

I certify that I have received & reviewed a copy of the child's IFSP and evaluation/progress notes prior to starting services, have provided services in accordance with the IFSP service's specified frequency and duration, and have worked towards addressing the relevant IFSP outcomes. I further certify that my responses in this report are an accurate representation of the child's current level of functioning.
